

WELCOME!

Technology is becoming too difficult to even start using again, so we like to remain safely disconnected. Software is the platform of business and the results we use for better communication. The speed of exchange rates is our relationship's gratuity. This simply means that we are in business to best service your every single instant transfer and internet connection. Kethazure is a sophisticated and professional credit and finance solution for modern technologies. KTHZR FinTech Holdings Groups is a cyber marketplace that uses a profile of category browsing with headlines and news indexes. Our business is connected worldwide with consumers of Videogames, Movies, Fashion, Software, Travel, Music, and Internet! We offer financial services that includes Network Systems, Information & Technology, Cloud, and Software. Right now Vermillion: Mobility guarantees you will have the advantage for your internet connection while you go anyplace and everywhere! KTHZR FinTech Holdings Groups currently is supporting three languages and 24/7 always online IP Address.

Namaste!

I'm Oliver Nowell Bowe! My ancestors immigrated here over 100 years ago. The reason why I fled from Bahamas to America, is to start a new journey as a survivor of violence. In the Bahamas I was the King, Prime Minister, and President. Since then I have found a new purpose for my life! On my 31st birthday, while living in Dallas, TX, USA, I have started a cyber entrepreneurship called Bowe that includes SEO, Videogames, and Fashion. Concerts are held every Friday at 6:30 PM. The videogame arcade is open on Saturdays, 10:30 – 2:30 PM. Church starts on Sunday evenings at 6:00 PM.

Bowe Futures Cyber Technology Company Enterprise includes multiple subsidiaries that are private business and closed.

Family Enterprise Business reserves the right to refuse services as a business in private. Right to weaponize any item in the enterprise and execute any weapon in our advantage. This is in order to service as defense while executing a service of protection. We monetize goods, services, and products in order to still offer services of protection that prevent the engagement of weapon chivalry.

Avoid conviction, sentencing, warrant, and arrest in order to sell business as goods, services, and products.

In order to start your own business thus will align in order to include, if you choose to accept; office, business, and/or charity fund.
